**PETITION TO RESET PERIOD FOR RESPONSE  
DUE TO NON-RECEIPT OF ACTION**

Dear Sir:

This petition is being filed to request that the period for responding to the Notification of Missing Filing Requirements Under 35 U.S.C. 371 in the U.S. Elected Office be restarted. This notice was never received by the Applicant.

Applicant filed the U.S. national phase application on September 10, 2001, and received the application return postcard on September 19, 2001, a copy of which is enclosing indicating the PTO's date stamp. However, the U.S. application number assigned to this case was not indicated on either side of the postcard. On July 13, 2002, Applicant's attorney called the Office of Initial Patent Examining and was informed of the U.S. application number.

On August 13, 2002, Applicant's attorney checked the status of this application on PAIR and discovered that the Notification of Missing Filing

Requirements was mailed on October 30, 2001. On the same day, August 13, 2002, we mailed the Completion of Filing Requirements which included the executed Declaration and Power of Attorney, and Request for Recordation of Assignment, a copy of which is enclosed. Also enclosed is a copy of the Express Mail receipt confirming the mailing date of August 13, 2002, and a copy of the return postcard date stamped by the PTO with this date as well.

Since this date, we have not received communication from the PTO relating to this case. We have left messages with the PCT Legal Department and have not received any return phone calls. Periodic status checks through PAIR have not supplied us with any updated information.

Accordingly, Applicant requests the period for responding to the Notification of Missing Filing Requirements be restarted, and the Completion of Filing Requirements be considered as received on time.

Please charge the petition fee of \$130.00 to Deposit Account 19-4972. If any additional fees are required, you are hereby authorized to charge Deposit Account 19-4972.

Dated: 05 November 2002
